

The Grand Canyon Adventure with Russ

- Our April 2006 hike to the bottom of the Grand Canyon and back
- Hiking slot canyons around Page, Arizona
- A short raft trip on the Colorado River near Page
- Hiking a lava tube near Flagstaff

The “start” photo in case one of us does not make it back!

Aaahhh...BEER!!!

A photograph of a narrow dirt trail carved into a steep, reddish-brown rock face. Four hikers are visible on the trail, moving away from the camera. The trail is flanked by a sheer rock wall on the left and a steep, eroded slope on the right. The sky is clear and blue. The text "Unfortunately, there is only one way out...up, and up" is overlaid at the bottom.
